Andy Shaw

Product Designer

Havas Group

Global Head of Product, Sep 2013 – Dec 2018
Head of Design, Sep 2012 – Aug 2013

During my time at Havas, I led a mobile-first product team working on responsive websites, native apps and interactive ads.

I ran design workshops with teams around the world, from Dubai to New York with clients ranging from Nike to Disney.

VYRE

Product Manager, Sep 2011 – Aug 2012
Senior UX Designer, Oct 2010 – Sep 2011
UX Designer, Aug 2009 – Sep 2010

VYRE built Brand Asset Management software. I helped move the company from being a service led to product focused. The platform we built was used by the BBC, Nestle and Diageo among others.

Ink Publishing

UX/UI Designer, Sep 2008 – Sep 2009

At Ink, I worked on travel related websites for United Airlines, CNBC, easyJet and other great brands.

Webworks

Design Manager, Dec 2007 – Sep 2008
Web Designer, Dec 2006 – Sep 2007

My first industry job was back in my home town working on small brochure websites for local businesses.
